About Noah

All of our buildings are handmade by our skilled craftsmen using the finest timber. What makes Noah so great is that we make every building from scratch at our workshop in Shropshire. Our aim is to provide the UK with high quality, bespoke buildings that will make you fall in love with your garden.

Deluxe

All Year Use, Insulated, Secure

Our Deluxe models are a perfect addition to your property; it can be used as a home office, living room or even as a gym.

These models have double glazed UPVC framed doors and windows, fully lined and insulated for a versatile outdor living space for every season. The glass lets light pour into the building and rewards you with views of your garden to enjoy all year round. You can further personalise your deluxe garden room by having it painted in a colour of your choice.

"Omg what can I say.... my garden room is beautiful, this company are fabulous, they helped me from start to finish and I would definitely recommend them to everyone."

Cedar

Luxury, Attractive, Unique

Our Cedar buildings are built from Canadian Western Red Cedar which is naturally water repellent and long lasting. Cedar benefits from it's unique tones which is sure to be the stand out piece to any garden.

"The team at Noah Garden Room's were very helpful from start to finish and the garden room I purchased was of very high quality, the fitters who installed my garden room were very professional and polite and are a credit to Noah Garden Rooms."

Garages

Heavy Duty, Practical, Robust

Our garages are a cost effective solution without compromising on space and quality. Some models include a number of windows to allow light into the building however, you can opt for a more secure and private garage such as our Swindon.

These models are excellent for storing your classic cars or bikes and can also be turned into a workshop.

"From looking to order to delivery and putting it up the service has been amazing. The office staff are so polite and helpful. I was kept informed at all times."
